

Nimbora Robotics - Employee Handbook (Sample)

Company Overview

Nimbora Robotics was founded in 2019 in Coimbatore, India. The company builds small warehouse robots that help sort packages in fulfillment centers. As of 2026, Nimbora Robotics employs 214 people across three offices: Coimbatore, Pune, and Singapore.

Working Hours

Employees at Nimbora Robotics follow flexible working hours between 8 AM and 7 PM, as long as they complete 8 hours per day. Core collaboration hours, when all employees must be online, are from 11 AM to 3 PM IST.

Leave Policy

Nimbora Robotics offers 21 paid leave days per year, plus 10 public holidays. New employees must complete a 90 day probation period before they are eligible to take more than 3 consecutive leave days at once.

Remote Work Policy

Employees may work remotely up to 3 days per week. Employees in the Robotics Hardware team are required to be on-site at least 4 days per week due to lab equipment access.

Expense Reimbursement

Employees can claim reimbursement for internet bills up to 1500 rupees per month. Travel for client meetings is reimbursed fully with prior manager approval. Reimbursement requests must be submitted within 30 days of the expense.

Performance Reviews

Performance reviews at Nimbora Robotics happen twice a year, in April and October. Reviews are based on three criteria: project impact, collaboration, and technical growth. Employees rated 'Exceeds Expectations' in both cycles are eligible for the annual innovation bonus of 50,000 rupees.

Onboarding Buddy Program

Every new employee is assigned an onboarding buddy for their first 60 days. The buddy is expected to have at least one check-in call per week and help the new hire navigate internal tools like the expense portal and leave tracker.
